

Take Our Students To Work Day

Friday, February 15, 2019

TO: PARENT/GUARDIAN
FROM: Mr. Brian Hickman, Principal HMS

Hartsville Middle School will be participating in the **Take Our Students to Work Day**. This program is designed to expand the walls of the classroom and help students reach their full potential at school and in their future. By providing your child with a unique learning experience that incorporates practical application of their studies (such as Math, English and Science), and encouraging them to take an active role in their education, this program can enhance your child's interests and their approach to learning.

We believe having students go to work with a parent/guardian/mentor/neighbor for a day provides them an opportunity for a **"real world" experience**. We hope that it will foster a renewed **respect for adults and their responsibilities**, as well as help the student determine if the job/career they shadow is of interest to them for future consideration.
